Art exposition of Lithuanian artists in Luxembourg "EN ROUTE"

'*Congrats to the Balts! #BalticWay30 - what a great demonstration of citizens in Estonia, Latvia and Lithuania who stood up for a free and democratic future!'* Ursula von der Leyen, the President of the European Commission, tweeted.

In order to commemorate the 30th anniversary of the Baltic Way, Lithuanians artists living in Luxembourg united into the group *LitArtLux*. These artists created a symbolic art chain EN ROUTE - paintings, photography, jewellery, paperwork, and ceramics. EN ROUTE art exposition, sponsored by the Lithuanian Council for Culture and under patronage of M Robert René Wagener, Honorary Consul of Lithuania in Luxembourg, will have several halts.
